CONDITIONAL USE: A land use or land development, as defined by the Ordinance, that is allowed, but would not be appropriate without restrictions or conditions as determined by the Planning Commission. The proposed use must meeting the following standards: (a) the use or development is an appropriate conditional use in the land use zone, (b) the use or development with conditions conforms to the comprehensive land use plan, (c) The use with conditions is compatible with the existing neighborhood, and (d) the use with conditions would not be injurious to the public health, safety, welfare, decency, order, comfort, convenience, or prosperity of residents in the City.

The following questions must be answered.

1. What changes are you proposing to make to this property?

Building: _____

Landscaping: _____

Parking/Signs: _____

2. Describe the impact on the use and enjoyment of other property in the immediate vicinity. If there is no impact, explain why.

3. Describe the character of the area and the existing patterns and use of development in the area. How is the proposal consistent with those patterns and uses?

4. Describe the impact on the capacity of existing or planned community facilities (sewer, drainage, other). Explain if additional facilities will be required.

5. Describe the impact on the character of the neighborhood in which the property is located.

6. Describe the impact to the traffic on roads and highways in the vicinity, and the expected traffic generated by the proposed use. Is there adequate off-street parking available to accommodate the proposal?

7. Discuss any environmental limitations of the area that would limit or constrain construction on this property.

8. Please include any other comments pertinent to this request.
