AGENDA ITEM #

REPORT TO PARK COMMITTEE

Prepared by: Cassandra Delougherty

Date: May 22nd, 2025

Subject: Unfinished Business

Report:

2a. Movie in the Park:

Waiting a response from entertainment company after giving them the requested information from the previous Parks meeting.

2b. Basketball Court:

Roman is waiting on a quote for striping

2c. Community Events/Summer Activities

2ci. 4th of July Parade:

-Clerk Okerman is waiting to hear back from Pequot Lakes Chamber regarding waiving the entrance fee.

-Deputy Delougherty has provided a few options for boat key floats, as well as other giveaway items via Oriental Trading Company; catalog provided for the meeting to review.

-Greg Guenin is willing to drive his truck and boat in the parade.

-Delougherty reached out via email today requesting volunteers.

-Staff are researching costs for shirts for volunteers. More info to come.

2cii. Grill-Out/BBQ:

No information to provide.

2d. Sand Volleyball Court Opportunity- staff is researching costs associated to the court. According to Joe Zierden, Breezy Point PW Supervisor, they get their **washed** sand from Swenson Aggregate for \$6.40/ton. He indicated that if we were to replicate their court, we would need 155 tons, or approximately \$1000 in sand. This does not include delivery, as we have volunteers for that.

Breezy Point does not have a border around their court, it smooths to grass.

Approx cost of setting permanent posts-\$500

Approx cost of equipment-\$600 (amazon cart provided)

*One thing to consider is that Breezy Point did not do any drainage tiles under the sand, as the area is very sandy already, so drainage was not an issue. Is this a concern? If so, there will be additional costs associated to drainage, possibly even engineering fees.

2e. Playground Woodchips:

Roger indicated that he is going to speak with Lake Shore to inquire on Jenkins purchasing one or two yards of woodchips from them, as we don't have the ability to safely store excess if we were to order a truckload this year, and it is not necessary at this time.

*Staff did complete the stencil outline for the Borne Learning Path.

*Roger is looking into sand-blasting or power-washing equipment, as we do not have running water at the cemetery.

Requested Action: Please present staff with current action items.
