

Veterans Street Reconstruction-Schedule Update:

There has been an update in the schedule for Veterans Street. The contractor still plans on starting next Tuesday, September 8th.

They plan to have two crews onsite, so it will be a very busy area this next week. Veterans Street will remain open for local traffic, however if it is an option to use an alternate route it would be encouraged.

Tentative Schedule:

Reminder - The tentative schedule below is at the mercy of the weather. It can change day to day depending on rain. We will do our best to notify everyone when these schedule changes might happen.

Tuesday September 8th

Reclaiming the bituminous roadway

Surface (pavement) removals

Ditch grading

Wednesday September 9th

Final road shaping and grading

Ditch grading

Paving base course (first lift) of pavement in the afternoon

Thursday September 10th

Pave driveways

Pave wear course (top lift) of pavement

Finish grading

Friday September 11th

Final grading

Possible seeding today or the next week
